Detailed Transaction Reports: Comprehensive reports on transaction history and status.

Analytics Dashboard: Interactive dashboard for analyzing transaction patterns and performance metrics.

Risk Mitigation: Mitigate risks with robust credit scoring and risk assessment tools, ensuring sound lending decisions and portfolio management.

Why MicroMac's ENVIO

E2E SWIFT Remittance Management Solution.

Fast, Secured, Effective & Efficient Remittance Management System.

Increased Customer Satisfaction Index by Reducing MTIS.

Improved Compliance & Reduced Threat Managing international money transfers, leveraging the strengths and global reach of the SWIFT network.

Testimonials

The City Bank Limited
Head Office: City Bank Center, 136, Gulshan Avenue, Gulshan-2, Dhaka-1212, Bangladesh

TO WHOMSOEVER IT MAY CONCERN

This is to certify that MicroMac Techno Valley Limited implemented the project ENVIO: Remittance Management System at our bank in December 2016. MicroMac has an excellent and resourceful team. We found the team to be very knowledgeable in SWIFT remittance solution and they have offered us many value added suggestions along the way. Their response to any call is fast and has an excellent way of dealing with any problems.

Implementation of ENVIO simplifies the management of seamless processing & administration of SWIFT remittances all the way to the payment. This solution provides recording, interpreting, classifying, analyzing, reporting to finally generating payment/transaction receipt.

We are entirely satisfied to use ENVIO and take this honour to extend our heartfelt thanks to MicroMac in developing such a valuable system.

We sincerely wish them success in all their future professional software development pursuits.

Yours sincerely,

Saifur Rahman Shawkat
Head of IT
